

Supporting Your Teen through the A-Levels Results Release

Dear Parents/Guardians,

The 2024 A-Level results will be released soon. Regardless of the outcome, it is important for our teens to know that they are loved for the person that they have grown up to be, and that their grades do not define who they are in our eyes.

The support you offer your teen during this milestone is especially necessary and valuable in helping your teen manage emotions and be positive when deciding on next steps.

ECG Counselling Support

For ECG counselling support, students may contact the ECG Counsellor in their schools or make an ECG counselling session with the ECG Centre @ MOE from 17 February to 19 March 2025 (Weekdays: 9.00 am to 5.00 pm; Saturdays: 9.00 am to 12.00 pm) through the appointment booking form below.

Collection of GCE A-Level Results

Arrangements have been made for school candidates to receive their results from their schools. Details on the collection arrangements will be shared by the respective schools.

School candidates who are unable to collect their results in person can appoint a proxy to collect a physical copy of their results on their behalf from the school. Proxies are required to produce the relevant documents for the school's verification when collecting the results. School candidates may contact their schools for assistance if they are unable to appoint a proxy.

School candidates can also access their results online via Singapore Examinations and Assessment Board's (SEAB) Candidates Portal at www.seab.gov.sg. School candidates who are eligible for Singpass can use their Singpass account to access SEAB's Candidates Portal.

School candidates who are International Students will receive their system-generated username via email.

Thank you.
